ROSA A. COLE LIBRARY FUND.

Jan. 1, 1919, Balance in Wareham Savings Bank,	\$945 72
Income for the year,	43 00
In Bank Dec. 31, 1919,	988 72

It will be noticed that there is a net gain of \$88.14 in the income accounts of the Perpetual Care funds. While a reasonable accumulation to meet emergencies is desirable, there is a limit, and in a few cases the limit seems to have been reached. Caretakers of the cemeteries may have a problem in judiciously expending the income of some of the funds, and the best suggestion I can make is that the income be reduced, or at least stopped where it is, by an outlay for flowers and shrubs, and by improving the approaches to the lots concerned. The Stetson, Atwood, C. W. Griffith, T. B. Griffith, Ellis Griffith, and Pratt funds need immediate and careful attention.

BITUMINOUS ROAD ACCOUNT.

Dr.

1919.

March 3.	Appropriation,	\$415 49
----------	----------------	----------

Cr.

Dec. 31.	By overdraft of 1917,	\$301 36	
Dec. 31.	By overdraft of 1918,	114 13	
		<hr/>	\$415 49

In the early part of the year 1917 the Massachusetts Highway Commission made agreement with the Selectmen to pay one half of any amount of money which the town might wish to spend, not exceeding \$20,000, for the purpose of covering a part of the old macadam road with a bituminous top; and their written suggestion was that the amount be \$13,000.

This offer was accepted at the 1917 annual town meeting when \$6,500 was raised and appropriated for the purpose; and, soon after, the State entered into contract with us to spend a like sum.

The section of road called for in the contract was completed, and the orders paid, as shown on pages 16 and 38 of the 1917 town report, amounted to \$9,828.27.

This amount included what was paid for light resurfacing oil and expense for application, but did not include the cost of the heavy oil used in making the bituminous top.

The town expected to receive a bill from the Standard Oil Company for the heavy oil, and also expected \$3,473.09 more from the State as we had received but \$3,026.91 of the \$6,500, which they had promised. We therefore credited the bituminous road account on Dec. 31, 1917, with a balance of \$3,171.73 which is the difference between \$9,828.27, the actual amount expended and the \$13,000 allotted to that work.

On investigation it was found that the Massachusetts Highway Commission, who placed the order for the heavy oil, had paid for the same direct to the Standard Oil Company, so that we had no reason for expecting the \$3,473.09 from the State and no reason for expecting a bill for the oil.

Now, as the total amount actually received to the Bituminous Road Account was \$9,526.91 and the amount actually paid out was \$9,828.27, there was an overdraft of \$301.36.

In 1918 a further expense of \$114.13 was paid from that account as appears on pages 24 and 34 of that year's town report, making in all an overdraft of \$415.49, the amount which was appropriated at the last annual town meeting to balance the account.

AUTO TRUCK ACCOUNT.

Cr.

Paid—

Maxim Motor Company, auto chassis,	\$500 00	
Texas Company, gasoline,	19 14	
Herbert F. Atwood, gasoline and supplies,	1 38	
		<hr/>
		\$520 52

As the three items in the above auto truck account, showing the amounts paid for a truck chassis, gasoline and supplies, are not sufficient to make plain the present standing of the same, the following explanation and figures are given:

One year ago through the efforts of Herbert F. Atwood, local Moth Superintendent, the State Forestry Department agreed to give to the Town of Carver, a properly equipped Ford truck for the use of the local Moth Department, provided the town would first pay for it, and later receive reimbursement for the same by means of charges to the State, for the use of the truck, at the same rate per day as if hired from some individual.

The proposition was brought before the town at the annual March meeting, where it was voted to accept the gift from the State, and the sum of \$550 was appropriated for the purpose of affecting the same.

On further consideration of the matter with the Maxim Motor Company of Middleboro, it was found that the amount appropriated would be insufficient to carry out the wishes of the town, and agreement was made with them to furnish a thoroughly equipped truck for \$800, and on payment of \$500 from the appropriation to cover the first cost of the machine, they delivered the same complete to the Town, the balance of \$300 for equipment to be paid in the same way, the State had agreed to reimburse the town.

The earnings of the truck charged to the Moth, Highway and Fire accounts, and paid to the Maxim Motor Company, from

said accounts have finished paying the equipment bill in full, and the truck is ours.

Before and since paying the Maxim Motor Company in full, the trucks earnings on the Moth Account have been charged to the State to the amount of about \$400, and this will be continued until the full sum of \$800, which the town has paid out, has been paid back to us.

ROLL OF HONOR.

The following names are those of pupils who have had perfect attendance for one or more terms

Three terms—Madeline Shaw, Kenneth Atwood, Homer Weston, Carroll Griffith.

Two terms—Raymond Braddock, Norman Holmes, Carlton Atwood, Davis Atwood, Ralph Linton, Theodore Vaughan, Elizabeth Atwood, Eunice Atwood, Lillian Robbins, Mary Peterson.

One term—Leslie Howland, Lila Halunen, Tekla Halunen, David Atwood, Francis Dunham, Richard Gallagher, Milton Braddock, Simone Roy, Roger Weston, Leo Caron, Homer Griffith, Emily Adams, Flora Eames, Clara Caron, Ella Cornish, Frances Cornish, Gladys Eames, Hazel Griffith, Marjorie Griffith, Leonard Shurtleff, Priscilla Shaw, Avis Shurtleff, Shurtleff, Eunice Wade.

Chester W. Humphrey, who for eighteen successful years has served the towns in our District as Superintendent of Schools,

resigned on Nov. 1 to take up similar work for the town of Wareham. Those who know him best will miss him most.

From the beginning of his service among us to its close, he has been the personification of neatness, courtesy and thrift, and his genial manner and helpful attitude coupled with a good measure of common sense have ever been appreciated.

Your committee miss his wise council, ready assistance and pleasant smile; and many successful teachers owe much to one who is able to criticise so it will not hurt, and to suggest in the way he would like to have suggestions made to him.

He is most favorably known to the Massachusetts State Board of Education, and to the authorities and teachers of the State Normal School at Bridgewater, as well as to authorities and institutions of like standing elsewhere.

Because of the valuable assistance which is known to have been given to the teachers under his direction, many students at Bridgewater have from time to time been advised to teach in his district for at least one year before taking up the work in larger places.

Your committee deeply regret his loss. The vacancy caused by Mr. Humphrey's resignation has been filled by the unanimous election of Mr. William J. B. MacDougall, a graduate of Bowdoin College, who comes most highly recommended by the State Board of Education as a man of ability and experience adequate to the needs of the position. His work as teacher in Scituate and Topsfield, and his five-year term of service as principal of the large High School in Marlboro, Mass., which he left of his own accord and with the good wishes of all speak of the success, which he has achieved along educational lines.

We expect that he will be able to do just as successful work in his new field as he has done in the places which he has occupied before coming to us.

The fireproof safe conveniences for the several departments are not in a satisfactory condition. The records stored in the safe in the basement of the Town Hall show signs of mildew, and some records are not kept in town safes. I think the vault is dry enough to be fitted for use, and recommend that the proper fittings be installed so that all departments charged with the custody of public records may be accommodated.

The first volume of Plympton town records dating from the incorporation of the town of Plympton to the incorporation of the South Precinct, contains the only record of this vicinity for the period covered, and I recommend that steps be taken to secure a copy of that record-book.

HENRY S. GRIFFITH, *Town Clerk.*
